SWEDEATSU™

Panasonic ideas for life

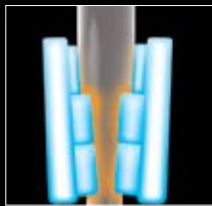

The Swede-Atsu Urban™ is a sophisticated contemporary leather massage lounger with separate ottoman that features both strong Shiatsu and smooth Swedish styles of massage combined with all-new Chiropractic techniques.

Benefits of Panasonic Chair Massage

- Relaxes muscles
- Stimulates acupoints for increased energy flow
- Temporarily increases circulation
- Reduces swelling of legs with air massage

Air Ottoman System

Featuring air ottoman with 8 airbag circulation system for a more complete, contoured lower body massage including:
Calves - kneading and loosening of the shins and calf muscles.

Realistic Massage Therapist Techniques

Using 2 or 4 firm rubber massage heads, the Panasonic Swede-

Atsu Urban™ accurately simulates stroking with the palm of hand, pressing with the heel of the hand, kneading with thumbs and pressure with thumbs.

Deep Neck Massage/Float Mechanism

Simulates the movements of a rotating wrist for an amazingly life-like massage. This outstanding feature lets the Panasonic Swede-Atsu Urban™ perform various massage actions.

Remote

Easy-to-use remote allows for complete personalized massage at the touch of a button.

8 Basic Massage Modes

- Swedish** – gentle pressure using 2 rollers to simulate the palms of hands
- Chiropractic** – all new massage techniques for better muscle relaxation and promoting good posture by helping eliminate fatigued muscles.
- Kneading** – firm kneading especially effective on neck and shoulders
- Hawaiian** – gentle rubbing motion across the back
- Compression** – firmer rubbing motion across the back
- Tapping** – invigorating sensation of hands rapidly tapping on back muscles
- Shiatsu** – strong deep-tissue pressure and stretching using 2 massage heads
- Rolling** – muscles are gently stretched as massage heads move up and down along the back
